OPEN HOUSE

KTR Kubz is a special program for children **ages 3-5**, held in our indoor action sports playground. It's designed to give kids the freedom to play, move, and grow with our trained staff while learning teamwork, friendship, and confidence.

The program runs three days a week (Monday, Wednesday, and Friday), and families can choose the schedule that works best for them—one, two, or all three days. Each session combines active play, fun lessons, and group activities that help children build healthy bodies and kind hearts.
